

January 2017

Samuel H. Preston

ADDRESS

Population Studies Center
University of Pennsylvania
289 McNeil Building
3718 Locust Walk
Philadelphia, PA 19104-6298
215-746-5369
spreston@sas.upenn.edu

DEGREES

Amherst College, 1965 B.A., Economics; Magna cum laude
Princeton University, Ph.D., Economics, 1968.
University of Pennsylvania, 2013. Doctor of Science Honoris Causa

EMPLOYMENT

1988-2010 Frederick J. Warren Professor of Demography, University of Pennsylvania
1979- Professor of Sociology, University of Pennsylvania
1998- 2004 Dean, School of Arts and Sciences, University of Pennsylvania
1996-97, Director, Population Studies Center, University of Pennsylvania
1982-89
1994-97 Director, Population Aging Research Center, University of Pennsylvania
1993-94 Fellow, Center for Advanced Study in the Behavioral Sciences, Stanford
University
1990-93, Chair, Department of Sociology, University of Pennsylvania
1985-88
1994-95, Chair, Graduate Group in Demography, University of Pennsylvania
1989-90,
1980-82
1980 *Summer* Senior Research Associate, Office of Population Research, Princeton
University

- 1977-79 Acting Chief, Population Trends and Structure Section, United Nations Population Division
- 1972-77 Director, Center for Studies in Demography and Ecology, University of Washington
- 1975-77 Professor, Department of Sociology, University of Washington
- 1972-75 Associate Professor, Department of Sociology, University of Washington
- 1968-72 Assistant Professor of Demography, University of California, Berkeley

PROFESSIONAL ORGANIZATIONS

International Union for the Scientific Study of Population
Population Association of America
American Association for the Advancement of Science
Society for the Study of Social Biology
Sociological Research Association

HONORS

Matilda White Riley Award, Office of Behavioral and Social Science Research, National Institutes of Health, 2014

Olivia Nordberg Award for Writing and Editing in Population Sciences, 2009

Samuel Stouffer Fellow, American Academy of Political and Social Science, 2008-

Mindel Sheps Award for Mathematical Demography and Demographic Methodology, Population Association of America, 2006

Laureate of the International Union for the Scientific Study of Population, 1998

President, Sociological Research Association, 1994-95

Member, National Academy of Sciences, 1987-

Member, Institute of Medicine/National Academy of Medicine 1991-

Member, American Philosophical Society, 1992-

Fellow, American Academy of Arts and Sciences, 1986-

Fellow, American Association for the Advancement of Science, 1986-

Fellow, American Statistical Association, 1984-

Population Association of America:

 President: 1984

 Second Vice President: 1980-81

Board of Directors: 1975-78

Guggenheim Fellowship, 1985

Irene B. Taeuber Award for Excellence in Demographic Research, Population Association of America, 1983

Phi Beta Kappa

Woodrow Wilson Fellow

PROFESSIONAL ACTIVITIES (Last 20 Years)

Research Associate, National Bureau of Economic Research, 1990-94, 2007-

Member, Board of Directors, Boettner Research Institute, 1990-2015

Chair, Scientific Oversight Committee, Institute for Health Metrics and Evaluation, 2008-12

Member, Panel on International Health Differences, National Research Council, 2011-13

Co-Chair, Panel on International Divergence in Longevity, National Research Council, 2008-2011

Chair, Panel to Review the National Children's Study Research Plan, National Research Council and Institute of Medicine, 2007-2008

Member, Committee on National Statistics, National Research Council, 2005-2011.

Member, Behavioral and Social Research Review Committee, National Institute of Aging, 2007-09.

Member, Panel on Social Determinants of Adult Health and Mortality, National Research Council, 2006-08

Member, National Institute of Aging Committee on Data Priorities, 2006-08

Member, Committee to Evaluate Ph.D. Program, European Association of Population Studies, 2008.

Member, Application Review Committee, Bellagio Conference Center, The Rockefeller Foundation, 2005-07

Member, Board of Trustees, The Population Council, 1997-2006. Chair, Presidential Search Committee 2004-05.

Chair, Guidance Committee and Member, Panel on Policy Implications of International Graduate Students and Postdoctoral Scholars in the United States, Committee on Science and Public Policy, National Academy of Sciences, 2004-06.

Member, Library Committee, American Philosophical Society, 2002-08.

Board of Directors, Pension Research Council, 2005-12.

Chair, External Review Committee, Center for Health and Well-Being, Princeton University, 2005.

Member, President's Committee for the National Medal of Science, 1999-02

Chair, National Academy of Sciences' Nominating Committee, 2001- 2002

Member, National Academy of Sciences' Committee on Science, Engineering, and Public Policy, 1998- 2003

Chair, National Academy of Sciences' Award Committee for Initiatives in Research, 1997-98

Member, Steering Committee, National Academy of Sciences' White Paper Series, 1996-97

Member, Advisory Committee, Economic Commission for Europe. Population Activities Unit, 1992-98

Chair, National Institute of Child Health and Human Development Workshop, "Research Directions for the 21st Century" September 11-12, 1996

Member, Panel on Retirement Income Modeling, National Research Council, 1994-97

Member, Report Review Committee, National Academy of Sciences, 1990-2000

Board of Directors, Population Reference Bureau, 1994-00

Member, Technical Advisory Panel on Assumptions and Methods, Social Security Advisory Council, 1994-95

Chair, Committee on Population, National Academy of Sciences, 1989-93

Chair, Social and Political Sciences Section, National Academy of Sciences, 1990-93

Member, Neuroscience, Behavior and Sociology of Aging Review Committee, National Institute of Aging, 1990-93

Member, Board of Directors, Child Trends, 1986-94

GRANTS RECEIVED (direct costs)

Principal Investigator, "The Contribution of Obesity to International Differences in Longevity." 1 R01 AG040102. 9/01/11-5/31/17. \$1,133,589 direct costs.

Principal Investigator, "What Accounts for New York City's Exceptional Increase in Longevity?" Robert Wood Johnson Foundation. 11/1/12- 10/31/13. \$161,224 direct costs.

- Principal Investigator, "Improving Mortality Projections by Incorporating Cohort Smoking Patterns" National Institute of Aging, NIH. 3/1/08- 2/28/10. \$90,000.
- Co-Principal Investigator/Principal Investigator of subcontract from Duke University, "The Evolution of Well-Being among Older Adults after a Disaster" National Institute of Aging. 1/1/08- 12/31/10.
- "Factors Responsible for the Changing Sex Differentials in Mortality at Older Ages in the United States." Population Aging Research Center/Boettner Institute. 6/1/05 – 5/31/06. \$19,920.
- Principal Investigator, "African-American Mortality, 1930-1990." National Institute of Aging MERIT Award. 2/1/92-1/31/04, \$1,800,719.
- Principal Investigator, "Training in the Demography of Aging" National Institute of Aging. 7/1/97-6/30/99, \$731,835.
- Principal Investigator, Population Aging Research Center, National Institute of Aging. 9/1/94-8/30/99, \$525,381.
- Co-Principal Investigator, "African-American Immigration and Mortality in Liberia." NICHD. 7/1/91-6/30/94, \$241,000. A. McDaniel, PI.
- Principal Investigator, "Training in the Demography of Aging." NIA. 9/1/89-8/30/97, Approximately \$800,000.
- Principal Investigator, "Graduate Training in Demography." NICHD. 7/1/87-6/30/97, Approximately \$1,200,000.
- Principal Investigator, "Population Research Center Grant." NICHD. 9/1/87-8/31/92, \$1,193,313.
- Principal Investigator, "Old Age Mortality Patterns in Developed Countries." National Institute of Aging. 1987-90, \$157,177.
- Principal Investigator, "Graduate Training in Population and Development." Compton Foundation. 1987-92, \$75,000.
- Principal Investigator, "Fertility and Child Mortality in the United States, 1910." NICHD, 1986-89, \$286,688.
- Principal Investigator, "Public Use Sample of the 1910 U.S. Census of Population." NICHD, 1983-85, \$511,065.
- Principal Investigator, "Augmentation of Public Use Sample of the 1910 U.S. Census of Population." NSF, 1985-86, \$118,000.
- Principal Investigator, "Interdisciplinary Research in Population Biology." Alfred Sloan Foundation, 1985-87, \$22,485.
- Principal Investigator, "Graduate Training in Demography." University of Pennsylvania, 1982-1987, NICHD, \$423,683.

Principal Investigator, "Population Research Center Grant." NICHD, 1982-1987, \$757,209.

Principal Investigator, "Mortality Levels and Differentials in the U.S. 1900." National Institute of Child Health and Human Development, 1980-82, \$84,366.

Principal Investigator, "The Marriage Squeeze in Developing Countries." Ford Foundation, 1980-81, \$17,642.

Principal Investigator, "Child Mortality Differentials in Developing Countries." Ford Foundation, 1982-83, \$15,036.

Principal Investigator, Center for Studies in Demography and Ecology, NIH Center grant, 1976-81, \$437,000.

Co-principal Investigator, "Sex Composition and American Nuptiality." National Science Foundation, 5/1/74 - 11/1/75, \$35,231.

Principal Investigator, "Cross-National Comparisons of Sex-Mortality Differentials." World Health Organization Grant, 1/1/74-12/31/74, \$9,000.

Principal Investigator, "Causes of Death: A Social and Demographic Analysis." National Science Foundation GS22864, 7/1/72-12/31/74, \$29,000.

Program Director, "Social Science Research Training." NIMH Training Grant, 1972-1977, Approximately \$53,000 annually.

PUBLICATIONS

Books:

Explaining Divergent Levels of Longevity in High Income Countries. Eileen Crimmins, Samuel Preston, and Barney Cohen for the Panel on Divergent Trends in Longevity, National Research Council. National Academies Press. 2011. 182 pp.

International Differences in Mortality at Older Ages: Dimensions and Sources. Eileen Crimmins, Samuel Preston, and Barney Cohen, editors with introduction. National Academies Press Washington, D.C. 2011. 418 pp.

The Demography of African Americans, 1930-1990. S. H. Preston, I Elo, M. Hill, and I Rosenwaik. Kluwer Academic Publishers. Dordrecht, Netherlands, 2003. 214pp.

Demography: Measuring and Modeling Population Processes. S. H. Preston, P. Heuveline, and M. Guillot. Blackwell Publishing. London. 2001. 221pp. Chinese

edition issued by Wiley in 2012.

Demography of Aging. L. Martin and S. H. Preston, editors with introduction. National Academy Press. Washington, D.C. 1994. 411pp.

The Epidemiologic Transition: Policy and Planning Implications for Developing Countries. J. Gribble and S. H. Preston, editors with introduction. National Academy Press. Washington, D.C. 1993. 271pp.

Fatal Years: Child Mortality in Late Nineteenth Century America. S. H. Preston and M. Haines. Princeton University Press. National Bureau of Economic Research Series on Long-Term Factors in Economic Development. 1991. 266 pp.

World Population: Approaching the Year 2000. Special Issue of Annals of the American Academy of Political and Social Science. Editor with introduction. Vol 310. July, 1990. 221 pp.

Determinants of Mortality Change and Differentials in Developing Countries. S. H. Preston, editor with introduction for United Nations, United Nations Population Studies No. 94. United Nations, New York, 1986, 170 pp.

Population Growth and Economic Development: Policy Questions. S. H. Preston, R. Lee, and G. Greene for National Academy of Sciences, Committee on Population, National Academy Press. Washington, D.C. 1986, 108 pp.

Child Mortality Differentials in Developing Countries. B. Mensch, H. Lentzner, and S. H. Preston, for United Nations. United Nations Population Studies No. 97, 1985, United Nations, New York, 319 pp.

Vital Rates in India, 1961-1981. P. N. Mari Bhat, S. H. Preston, and T. Dyson. National Academy of Sciences, Committee on Population and Demography, National Academy Press, 1984, 173 pp.

Biological and Social Aspects of Mortality and the Length of Life. editor with introduction. Ordina for the International Union for the Scientific Study of Population, Dolhain, Belgium, 1982, 483 pp.

Patterns of Urban and Rural Population Growth. Population Studies No. 68, United Nations, New York, 1980, 175 pp. (unattributed).

Effects of Infant and Child Mortality on Fertility. editor with introduction, Academic Press, New York, 1977, 262 pp.

Mortality Patterns in National Populations. Academic Press, New York, 1976, 201 pp.

Older Male Mortality and Cigarette Smoking. Greenwood Press, 1976, 153 pp. Originally published in 1970 by the Institute of International Studies, University of California, Berkeley as Population Monograph No. 7.

Causes of Death: Life Tables for National Populations. S. H. Preston, N. Keyfitz, and R. Schoen, Academic Press, New York, 1972, 787 pp.
